The Monks ~ ~ A brief history

More than one year has been traced for the formation of HAMBLE CLUB but it is 1969 that is presently deemed to be correct. Formed as Hamble FC they made steady progress through the Southampton Junior Leagues before merging with a Sunday team, called Hamble Club and adopted their name in 1981. From the senior divisions, Hamble Club were promoted to the Hampshire League in 1993. They moved from their Mount Pleasant base to the Old College Fields and made a further move to what was then known as the Shell-Mex Ground during the 2002/03 season which remains their present home. Wessex members between 2004 and 2007, Hamble became Hampshire Premier League founders but they failed to complete the 2012/13 season and had to start a division lower. But this heralded the start of an upturn as they gained four promotions in five years, including one in their first season back in the Wessex League in 2017.

The club was established in 1969, originally as a youth team. In 1993 they joined Division Three of the Hampshire League. The club were Division Three champions in 1996/97, earning promotion to Division Two. In 2004 the Hampshire League merged into the Wessex League, with Hamble becoming members of the new Division Three. In 2006 the division was renamed Division Two, but at the end of the 2006–07 the division was disbanded and the club became founder members of the Hampshire Premier League.

Hamble pulled out of the Hampshire Premier League during the 2012/13 season. Although they were readmitted the following season, they started in the newly formed second tier of the league, Division One. The club were Division One runners-up in 2013/14 and were promoted to the Senior Division and went on to win the Senior Division in 2014/15. After finishing third the following season they were promoted to Division One and then were Division One champions in 2016/17, earning promotion to the Premier Division.

The Club began its current guise back in 1987. Having reached the upper age group of the Portsmouth Junior Leagues, a group of players decided to continue playing as a collective by joining Portsmouth Civil Service and in turn forming their Reserve side. Gradually most of the players moved up to the First Team, by 1991 the side had risen from the Portsmouth League into the Hampshire League Division One, coming off the back of three successive promotions. The Club's League success was also matched in Cup competitions with Portsmouth Senior Cup wins in 1991 and 1992, followed by Hampshire Intermediate Cup victories in 1992 and 1993.

After several seasons in the upper reaches of the Hampshire League, it became apparent that the Club would have to move away from their home in Copnor Road if they were to progress. After scouring the city, the Club agreed a lease on the old Moneyfields Sports Ground in Copnor.

In 1994 the Club moved to its current ground and became part of the Club whose name we now carry.

The Division One years were particularly successful and under the management of George Wain and Micky Gee, Moneys never finished lower than 6th and clinched the 1996-97 League Title by 15 points.

Success on the field was matched by extensive ground developments off it. This was in thanks to a National Lottery Sports Fund grant. New changing rooms, offices and a floodlit all-weather pitch were constructed as part of the scheme to bring the facilities up to Wessex League standard.

With the developments in place, the 1997-98 campaign saw a tense battle with Blackfield & Langley to see who would claim a spot in the Wessex league. Although Blackfield just pipped Moneys in the table, Moneyfields better facilities meant it was they who claimed promotion.

The first season in the Wessex League saw the club surprise many people by finishing 6th. The next couple of seasons saw the club post respectable top-ten finishes, but after finishing a disappointing 16th in 2000-01, George Wain and Micky Gee decided to step down after 13 seasons charge.

Under the managerial trio of Calvin Hore, Terry Arnold and Paul Gregory, and then the duo of Craig Stafford and Miles Rutherford, the Club has established itself in the middle third of the table as well as embarking on a series of runs in the FA Cup and FA Vase. The management line up was boosted in 2004-05 by the arrival of Bobby De Ste Croix and Alan Smith from Havant and Waterlooville. Where the duo managed to lead Moneys to mid-table finish, for 2 seasons in a row and reached the Final of the Portsmouth Senior Cup in 2005-06 losing 4-3 to Gosport Borough at West Leigh Park. In the 2006-07 Moneys reached the 3rd Round of the FA Vase, losing to AFC Totton.

The 2007-08 season saw the sudden departure mid-season of Craig Stafford, with the team ending the season in 7th position. Moneys were defeated in the League Cup Final, losing 1-0 against Wimborne Town. They also reached the 2nd Qualifying Round of the FA Cup, being knocked out by Team Bath at Dover Road.

2008-09 season Moneyfields had their best start to the season, leading the remaining 21 teams for a short period of time and seeing Moneys youth product Conor Bailey scoring Moneys 100th Goal of the season. The campaign ended positively with the First Team and Reserve Team both Finishing third in their respective League Tables. While the 2009-10 season was Moneys worst season at home, with only 5 wins at Dover Road leaving the club in twelfth place. The Reserves ending the season in 4th place. After 5 seasons in the Moneyfields Hot-Seat, Bobby De Ste Croix Retired as Manager. He was replaced by former Manager Micky Gee's son Graeme, who was also a very loyal player over the years at Moneyfields.

2010-11 season Moneys finished a respectable 7th place in the Wessex Premier League. Warren Hunt topped the goalscoring charts with a Club Record of 35 goals in a season. The Reserves finished 4th in the Wessex Combination League and finished Runners-Up in the Portsmouth Senior Cup Final losing 1-0 to Horndean. Moneys ended the following season [2011-12] in 4th position, with former AFC Bournemouth Forward Steve Hutchings finishing top goalscorer, with 34 goals. The Reserves again finished 4th but this time in the newly formed Wyvern Combination League, another Portsmouth Senior Cup Final defeat was on the cards for the Reserves, as they were beaten 4-3 at Fratton Park by US Portsmouth. The Club bounced back in the 2012-13 campaign with a Portsmouth Senior Cup victory, but then were Runner-Ups once again in the 2014-15 Portsmouth Senior Cup.

The 2015-16 saw Moneyfields manager Miles Rutherford resign after 12 years in charge and was replaced with Dave Carter, who joined from fellow Wessex Premier Division side Horndean in October. Carter led Moneys to an 8th placed finish and Moneys also reached the 4th Round of the FA Vase. The Reserves ended the season 2nd in the Wyvern Combination League.

In Carter's first full season at Dover Road [2016-17] Moneyfields finished top of the table in Wessex League Premier Division. But only three days after the season ended, the FA took 3-points away for Moneys fielding an ineligible player giving the title to Portland United. Moneys still gained promotion to the Southern Football League Division One South-East.

Moneys ended their first season in the Southern Football League Division One South-East with a decent 10th placed finish. The Club also entered FA Trophy for the first in their history.

2018-19 Moneys won a place in the Play-Offs, after ending the season 4th in the League Table, on 71 points. Despite clinching a Play-Off place, it was made impossible for the Club to gain promotion due to technicalities. This was because of a League restructuring and there then being insufficient space in the Leagues above for all of the Play-Off winners to be promoted.

Moneyfields were placed in 18th when the 2019-20 season was abandoned and were also in the Portsmouth Senior Cup Quarter-Final and the Hampshire Senior Cup Semi-Final. Moneys played the remaining Portsmouth Senior Cup ties during the 2020-21 season and went onto win the Portsmouth Senior Cup against Baffins Milton Rovers at Fratton Park. In February 2021 Dave Carter stepped down to join AFC Portchester as Manager, so the two Louis' [Savage and Bell] took charge for our Portsmouth Senior Cup Semi-Final versus Fareham Town and for the Final.

The 2021-22 campaign was Moneys first season back in the Wessex League after voluntarily being relegated due to a loss over sponsorship and finance because of the COVID-19 Pandemic. The team was under new management in Glenn Turnbull, Fraser Quirke, and Paul Barton, who joined from US Portsmouth. Moneys finished 9th in the League and made the Final of the Portsmouth Senior Cup, losing to Gosport Borough 4-1. The following season, Moneys played their home games at The Draper Tools Community Stadium [Home of Havant & Waterlooville] due to the redevelopment of Dover Road into the John Jenkins Stadium. The Club attendances were at an all-time high in the 2022-23 season, with gates averaging 230 per game, including a Club record attendance of 1,012 against AFC Portchester in a thrilling 3-3 draw on 27 December 2022.

On 13 April 2024, we beat Laverstock & Ford 4-2 away from home to clinch the Wessex Premier Division title, being the first team from Portsmouth to do so.

Jon Couch

WALKING out onto the hallowed turf at Wembley is every young football fan's childhood dream. Dave Jones remembers it better than most.

When Atherton Laburnum Rovers chairman Shaun Lynch appointed a new manager 18 months ago, there were raised eyebrows among some observers given his chosen one was only 23 at the time.

"Sometimes you have to give a lad a chance," he said. And it's fair to say he has no regrets.

This afternoon, Jones will lead out his side at home to Bourne Town in the FA Vase last 16 in a game billed as LR's biggest knockout game since they reached the competition's semi-finals stage in 1994 – before Jones wasn't even born.

His side, the only Step 6 club still standing, hailing from North West Counties League's First Division North, have eliminated four teams from a higher level to get this far – including a thrilling 3-2 success against Hallam in the previous round secured by Ryan Talbot's last-gasp penalty.

"That moment is a perfect example of what this young group is about," he told The NLP this week. "They're fearless, and they back each other. When they needed to show character, they did."

The same could be said for a club that has rallied from the brink of financial ruin five years ago when they were reprieved from relegation to a regional feeder league.

Jones, still just 25, has had a galvanising impact since taking charge and steered LR to second spot in the table last season. They missed out on promotion through the play-offs, and occupied the same position entering this weekend – four points behind Nelson with four games in hand.

"When I came in, I wanted to reconnect the team with the town and give it an identity," said Jones, who prepares the pitch for National League high-fliers Altrincham as the Robins' head groundsman in his day job.

"You can feel the positive energy around the club as a result of this cup run, and those supporters who have been here through those tough times are really savouring the moment."

He plans to relay a similar message to his players before kick-off against a Bourne Town side currently leading the way in the United Counties League Premier Division North and involved at this stage for the first time ever in their 45th Vase campaign.

The LR boss added: "We didn't expect to do this well in the FA Vase, which is why it's important to enjoy the experience.

"Most lads in our dressing room won't probably won't get this far again, and I want us all to look back in 10 years' time and be able to say; 'they were good times, weren't they?'"

But Atherton LR and Bourne are not the only clubs looking to make history in this year's FA Vase.

Half of the 16 clubs still standing are appearing in the fifth round for the first ever time – and there's also still a former winner looking to return to Wembley ten years after their last visit.

Northern League side North Shields host Whitchurch Alport for whom victory would match their best run to the quarter-finals from three years ago.

All 50 previous FA Vase finals have included a first time finalist – and this year looks to be no different.

Another former quarter-finalist is Crook Town, looking to repeat the feat from 19 years ago with a victory at Heanor Town – one of the eight clubs appearing in the fifth round for the first time.

VCD Athletic are in the fifth round for the first time in 18 years and they host Hellenic League leaders Hartpury University, while Whitstable Town have had a 28-year wait for the chance to reach the quarter-finals for the first time. They entertain a Fleet Town side who had never been beyond the second round before this season.

Egham Town travel to AFC Whyteleafe with the winner being a quarter-finalist for the very first time, while Erith & Belvedere are looking to match their best run to the quarter-finals from 10 years ago with victory over Daventry Town.

The Deres have won through six rounds already, via four penalty shoot-outs, having scored just four goals in normal time.

Conversely, **Andover New Street**, reinstated last week at the expense of Roman Glass St George, and their fellow Wessex League visitors, **AFC Stoneham**, have scored 28 goals between them in this season's Vase so far.

In the Trophy, all eyes are on Step 4 flag-flyers Sittingbourne, appearing at this stage of the competition for the first time in the club's 50th Trophy campaign – a competition record for the most campaigns before reaching the last 16.

The Step 4 Brickies travel to National League side Southend United in one of two ties that will see the winner setting their best Trophy run.

Worthing are into the last 16 for the first time in 39 years, and take on National League Rochdale, while Oxford City, of National League North, last went beyond the Last 16 four years ago. They take on twice beaten finalists National League side Forest Green Rovers.

A former multiple winner is Woking, who travel to the only Step 3 club still involved this season, Gainsborough Trinity, semi finalists in 2013, while Spennymoor Town host Boston United 32 years after the Lincolnshire club knocked Spennymoor United out of the Trophy.

National League North side Kidderminster Harriers lifted the Trophy 38 years ago and they host Sutton United of the National League, while two-time winners Altrincham, face league rivals Eastleigh, who last reached the quarter-finals 11 years ago.

The final tie of the round sees two former semi-finalists face each other as National League Aldershot Town host Boreham Wood, from National League South, although it's 17 years or more since either side reached the last four.

A BIT ABOUT ME

I played for Eastleigh Eagles youth, Compton youth. Then went into Mens football with Velmore, Capital, Compton Vets & finished at AFC Stoneham Vets. I didn't play at any level but just loved the game.

Also in that time done some Managing/Coaching with Earls youth, Botley youth, Otterbourne Res, Velmore, Sholing youth/Reserves.

I've watched Local Non-League Football for many years.

ThoseWhiteLines was formed 2018, I thought I could give something back by giving clubs on the local Non-League scene some more exposure by watching their games & doing live updates from the game, also taking some photos on my phone.

I watch from U18's to Adults football Saturday & Sunday League, Men's & Womens, also charity games, I just love the Game.

Then I thought I'd step it up & brought myself a camera so clubs/players could use my photos, I wouldn't call myself a photographer I just take pictures. Also I do a range of Matchday graphics for some clubs which helps them out. Programme covers for GD Programmes & im no graphic designer but the clubs like them. I share alot of content from clubs as well to get their media out there. I mainly cover the Velocity Wessex League, Hampshire League, and Hampshire Combination League.

I couldn't believe how well my social media pages have attracted Followers. There's nothing better than Non-League Football right up close to the action.

I volunteer my services all my time and effort is free all I ask is a credit/mention.

It's been a great journey so far, long may it continue.

Thanks for taking the time to read.

LAST BUT NOT LEAST

WHY DONT YOU GIVE MY PAGES A FOLLOW

HOPE YOU HAVE A GOOD SEASON

At the forefront of the fight against cancer.

Macmillan Cancer Support stands on the front lines of the fight against cancer in the United Kingdom. Committed to inspiring, supporting, and guiding anyone affected by cancer, Macmillan invests in everything from innovative fundraising strategies, to campaigns designed to shape the future of cancer treatment. They believe no-one should be forced to tackle this complex enemy alone.

The Macmillan community consists of millions of supporters, volunteers, campaigners, and professionals, all working to help patients and their families lead fuller lives. The Charity's work has already had a phenomenal impact on thousands of people located all over the United Kingdom.

Inspiring change with innovative marketing.

One of Macmillan's biggest challenges revolves around the development of creative and inspirational campaigns, intended to drive support from millions of participants. The Charity approached Fabrik for our help designing an experiential and interactive marketing campaign that would boost brand awareness and word of mouth marketing.

Our initial "Shave or Style" campaign highlighted a clear desire for supporters to get involved in a bold new movement, that would connect with a highly digital and social audience. We built on our discoveries to develop the "Brave the Shave" initiative; a campaign that continues deliver funding opportunities to Macmillan to this day.
